

Why buy the Pimple Eraser®?

Because of its easy to use Hands-Free Applicator, our natural ingredient-Glycolic Acid, and it costs less than expensive dermatology treatments, but equals in quality and results.

How does it Work?

The Pimple Eraser's Hands-Free Applicator evenly dispenses just the right amount of our Unique Glycolic Acid onto its special exfoliating pad, which inhibits bacteria growth when you rub it over your clean skin. It exfoliates dead skin cells, exposing live skin cells. The Pimple Eraser's Unique Glycolic Formula, combined with daily use of our Natural Facial Cleanser and our Daily Moisturizer with Vitamins C & E SPF 30 UVA & UVB Protection delivers dramatic results far beyond expectations.

What is Glycolic Acid?

It's a natural ingredient derived from Sugar Cane. It is the most effective AHA (alpha hydroxy acid) used by Cosmetic Dermatologists to treat acne and diminish wrinkles.

Start today with Pimple Eraser's natural ingredient, lower price, and easy to use applicator, for healthy, clearer, glowing, younger-looking skin! This bottle will last 4-6 weeks!

Start with one application at night then; gradually increase to a second application in the mornings as needed. Apply over entire face and neck area.

Science + Nature = Results

The **Eraser** name speaks for itself. It has been specifically formulated by health professionals to deliver dramatic results with a gentle effective Glycolic solution. Augmented by the **Eraser** action of the bottle to fight and prevent acne and aging skin damage.

If your skin needs a lot of work, it may appear a little darker or redder. You may also feel a tingling or cooling sensation during the first few days of use. This will pass and your skin will improve rapidly. For best results, apply **Eraser** over the entire face and neck area after cleansing. Always apply an SPF 30 UVA and UVB Sunscreen every morning.

Acne and Anti-Aging Facial

1. Wash your face with a mild cleanser (sulfate-free).
 2. Open your pores by steaming your face with a vaporizer, or a wet towel in the microwave for 30 seconds (Hot!). Carefully apply to face.
 3. Rub the Glycolic with Eraser action hands-free bottle over the entire face and neck. Let it dry.
 4. Close your pores by rubbing your face and upper neck with ice cubes (Optional) Try organic green tea homemade ice cubes.
